van Heek textiles

Gebaseerd op de kwaliteit Brilliantia ontstaat door een extra kalanderend een nog gladder en glanzender linnen. Daardoor is Brilliantia Calandr  zeer geschikt voor kleine, fijne opdrukken.

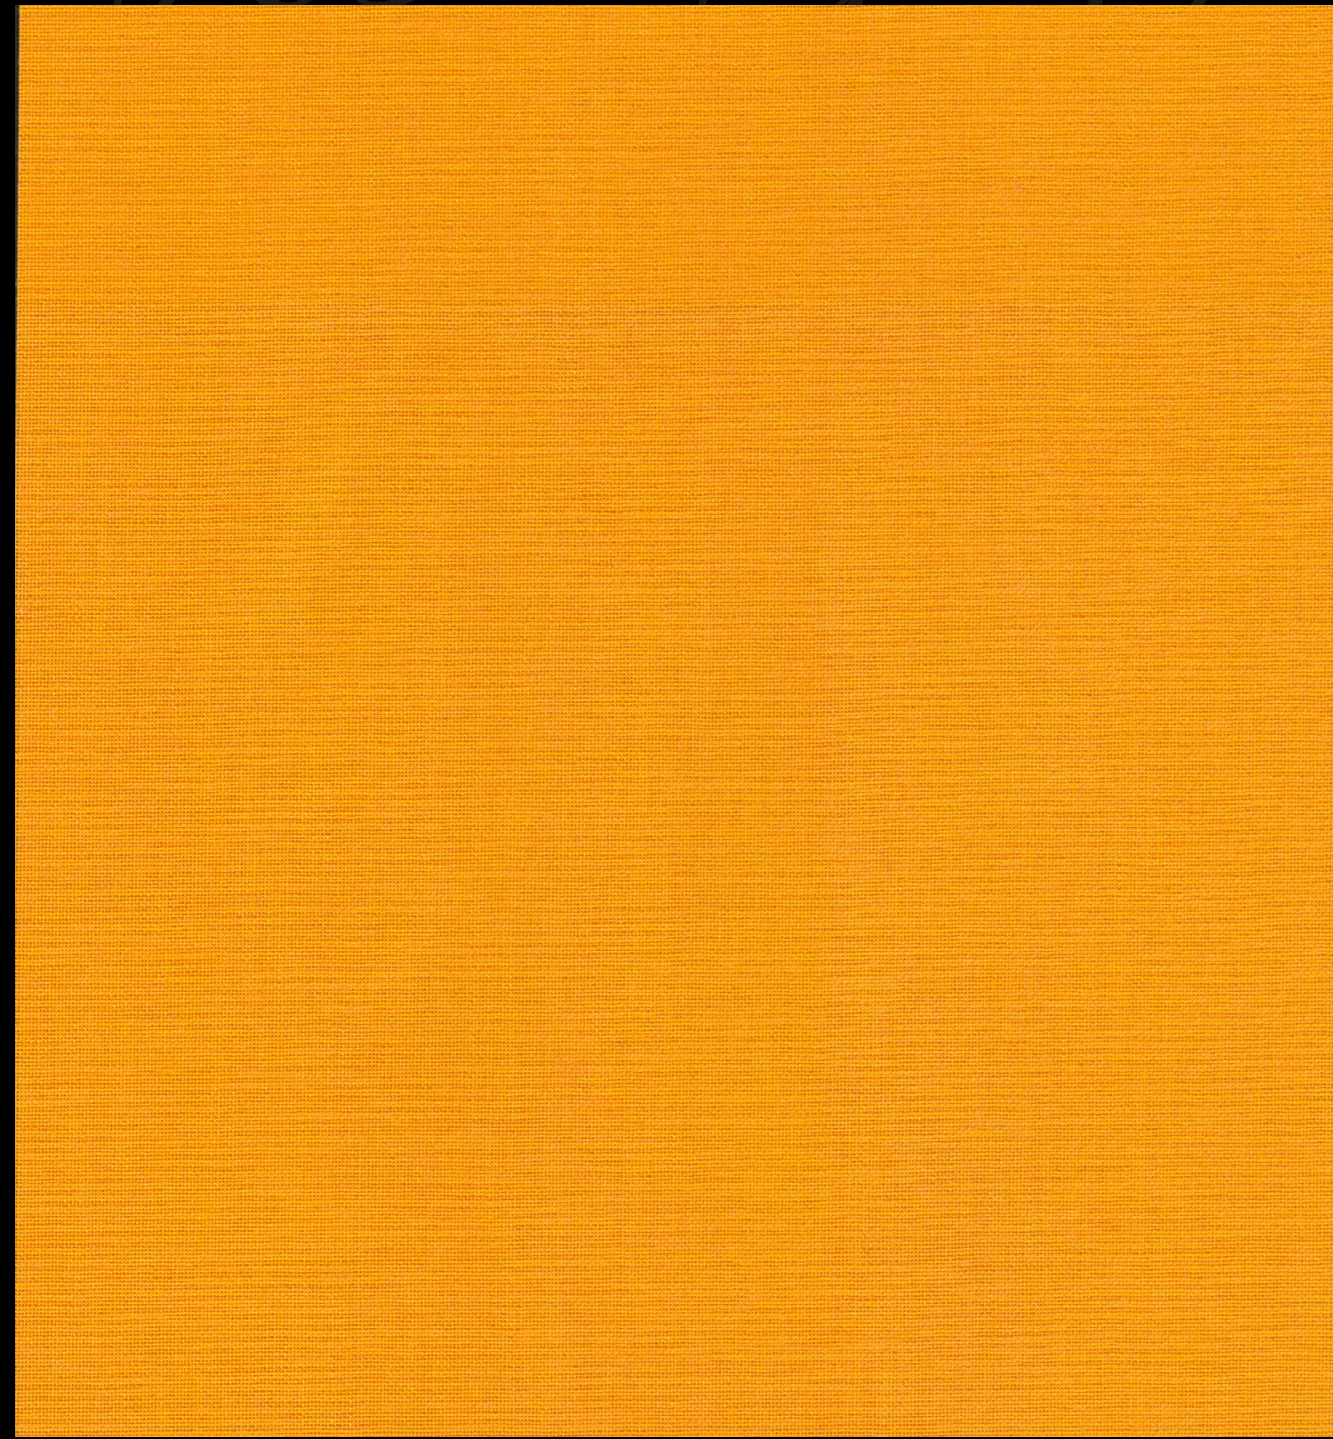

Based on the Brilliantia grade, extra calendering produces a smoother cloth with extra sheen. This makes Brilliantia Calandr  extremely suitable for small, fine print.

Ein zus tzlicher Kalandriervorgang verleiht der Leinenqualit t Brilliantia mehr Gl tte und Glanz. Dadurch verf gt Brilliantia Calandr   ber hervorragende Pr ge- und Druckeigenschaften.
